Ever since he was a child, Mondo Toki looked plain and shabby, and has never been popular. For those reasons, he wanted to at least have a good series of fashion design school. So before he knew it, he became a student of a fashion school. He had now found someone that he likes... an employee of the fashion mall's main department, Yogi Hachiro. Not only is Yogi kind and handsome, he's friendly with everyone (almost). He's sure that Mondo really isn't hard, but... However, Mondo is aware that he doesn't stand a chance of loving someone like Yogi.

That is, until an awkward question from Mondo causes Yogi to kiss him for the first time!

AFTERWORD

Broko, Thank you for reading here to the end. This is my first serialized magazine and also my first comic.

There were so many firsts and I had so many precious experiences. I would love to thank everyone from the bottom of my heart, who was involved and worked hard to make this book. Well, my sister told me "You can write whatever you want for the afterword" so I'm debating what I should write about. In this case, I thought I should talk about something I like, so about me... well, it might take too long to talk about gentle men instead... (I draw Broadchick cuttlefish here.

Broadchick cuttlefish males change their body color. The side stream to females turns to a gentle color like white while the side stream to males turns to an aggressive color, like black. They're gentle squid which really go easy on females. I guess they're kind of like guys. As you can see, I REALLY love gentlemen. My definition of them... are broad but most of all, I think they're: 1. Kind, 2. Look good in suits, and 3. Smart (capable workaholic). What's so great about these gentlemen? Well, their basic attitude is erotic... If a player and a gentleman would say "yes," I... definitely think that it's more erotic... when a gentleman says it, "Fertilize" also works, so (I) I like making this kind of character say "yes."

The more of a "gentleman" he is, the more I want to make him say "It's yours also said it but he's a bit far from my ideal gentleman," so it's a little sad. I start thinking about how gross I sound while writing this but I will keep going. I like the men who seem like a beautiful site to others except his site. I don't mind a reversal. The beautiful gentleman who is targeted by a fucker but only belongs to the site is the best. They're saying my man is different from the others, so please excuse me. I think I'll keep drawing gentlemen from now on. I'm glad if I'll be able to get a chance to see you again through my comics. I really appreciate you reading even the far.

In the extra episodes underneath the cover, they wanted food but they actually ate them after that. Please allow me to leave it like that.

HEY,
DIDN'T
THAT GUY
LOOK kinda
cute?

WAKA
ONLY?

What I was never
really bothered much,
but when I thought
about putting my
fashion sense to good
use, before I knew it,
I started working at
this fashion shop.

Ever
since I was a kid,
I've always looked
plain, I've never
grown all that tall,
and I've never been
popular.

I
KINDA WANT
JERSEYS!

HOW
PLAIN
AM I?

Even
so...

fallen in
love.

YAGI-

Even so,
I...

ALRIGHT-HO!
DO YOU WANT
ME TO GET
THE TOP?

OH, THAT
ONE...

Yagi-san's
an employee
from the mail
department.

WHAT
IS THAT
YOU'RE
SAYING?

But he's always
standing in at
the shop I work
at (110 Inch

DO YOU
THINK YOU
COULD WANT

Based

last year.

STARTING
THIS WEEKEND,
WE'RE GOING TO
BE SETTING UP A
LOT OF MORE -

If only I were a beautiful girl,
I could easily
become his
partner...and
we could get

I'm so

OH, WELL.
IT'S BECAUSE
IT'S THE
